Raleigh, N.C.

Dear Mrs. Manley,

Will you please send  
me my Contract at once,  
so that I can present  
it to the draft board.

I was suppose to have  
come home last week,  
but the letter was sent  
to Norfolk instead of N.J.

and I didn't get it  
before Sunday, so I  
will have to turn my  
Contract over to them  
so that they will know  
that I have been  
playing ball.

Just as soon as I  
have turned my Contract  
over to them I will be  
back.

Yours truly,  
Leniel
